TERMS OF SALE

- A. The American Numismatic Association's "Official A.N.A. Grading Standards for United States Coins" is used by the cataloguer.
1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 books; each additional book 10¢.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. funds. Canadian and foreign collectors should send an International Money Order or Bank Drafts made out to a New York or Washington Bank.
7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A List of PRICES REALIZED will be published about three weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00
11. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

FRANK and LAURESE KATEN wish to express their thanks to the Washington+Montgomery+Prince Georges TRI-CLUB in being selected to conduct the Auction Sale at their Second Annual Convention. We had been chosen to conduct the auction in 1980, but Sandia Mountain in Albuquerque, the ANA Mid-year Convention did me in (pneumonia).

The Tri-Club was established September 12, 1979 by members of the Washington Numismatic Society, Montgomery Coin Club and the Prince Georges County Coin Club. Its aim primarily was to help out financially the clubs and to halt the erosion in membership caused by a dearth of coin shows in the Metropolitan Washington Area. Financial assistance was given the three clubs last year with the understanding that this money would be spent to further the science of numismatics. The clubs have responded admirably.

HARRY X BOOSEL, best known as "Mr. 1873" for his research and writings on 1873 coins, coinage and history has had a wonderful career in numismatics. He joined the A. N. A. in 1934 as #4343, becoming Life Member #77 in 1943, while in the army. He was in Counter Intelligence Corps (CIC) and Office of Strategic Services (OSS).

Harry helped reorganize the Washington Numismatic Society in 1937 with Messrs. Hodel, Leachman, Weikert and Dyson - they brought the ANA Convention to Washington, D.C. in 1937.

Harry is the only General Chairman of two ANA Conventions, Washington in 1937 and Chicago in 1966. He is the youngest member ever elected to the ANA Board of Governors in 1937 - re-elected in 1938 - served through the 1939 Convention.

HARRY X (no period, please) is Past President of the Chicago Coin Club and Past President of Central States Numismatic Society, having received the Medal of Merit from both organizations. In 1950 he served as Chairman of National Coin Week. He currently is a member of the American Numismatic Society (1950), Numismatic Literary Guild, O.T.A.C., and was an Assay Commissioner in 1964. In 1980, once again - he became the youngest member (in length of service) of ANA Board of Governors.

Boosel's latest writing, in the January The Numismatist, "The Mystery of the 1873 \$3 Gold Piece."
